Dear Ms. Borer:

I have received the May 12, 2006 decision and recommendation of the Professional Conduct Committee of the Alberta Teachers' Association. The committee has found you guilty of unprofessional conduct and recommended that your teaching certificate be suspended.

I hereby suspend your teaching authority for six months as of the date of this letter. Please return your Alberta Permanent Professional Certificate to the Registrar at:

Teacher Development and Certification Branch

Once the term of your suspension is complete, you must write the Minister of Education to request the re-instatement of your certificate.

Yours truly,
